

Debbie just hit the wall
 She never had it all
 One Prozac a day
 Husband's a CPA

/ C / F / Am / G /

Her dreams went out the door
 When she turned 24
 Only been with one man
 What happened to her plan

She was gonna be an actress
 She was gonna be a star
 She was gonna shake her ass
 On the hood of White Snake's car

Her yellow SUV
 Is now the enemy
 Looks at her average life
 And nothing has been... all right since

/ ... / G /

Bruce Springsteen... Madonna
 Way before Nirvana
 There was U2 and Blondie
 And music still on MTV
 Her two kids in high school
 They tell her that she's uncool
 Cuz she's still preoccupied
 With 19... 19... 19... 1985

/ C / F / Am / Bb / : / Bb /

She's seen all the classics
 She knows every line
 Breakfast Club Pretty In Pink
 Even St Elmo's Fire

She rocked out to Wham
 Not a big Limp Bizkit fan
 Thought she'd get a hand
 On a member of Duran Duran

Wears the mini-skirt
 Made of snakeskin
 And who's the other guy
 That's singing in Van Halen

When did reality
 Become TV
 Whatever happened to
 Sitcoms – game shows – on the radio

Chorus

She hates time
 Make it stop
 When did Motley Crue become
 Classic rock

And when did Ozzy
 Become an actor
 Please make this
 Stop stop STOP ... and bring back

Chorus x 2

B \flat
