

I ain't **rich**, but I damn sure wanna **be**

Working like a dog all day, ain't working for **me**

I wish I **had** a rich uncle that'd kick the bucket and I was **sitting** on a pile like Warren Buffett

I know everybody says money **can't** buy happiness

/ D - G - / D - A - / :

But it could buy me a **boat**, it could buy me a **truck** to pull it

It could buy me a **Yeti** 110 iced down with some Silver **Bullets**

Yeah, **I** know what they say, money **can't** buy everything

Well, maybe **so**, but **it** can buy me a **boat**

/ D - G - / D - A - / D - G - / D A D - /

They call me **redneck**, white trash and blue collar . . .

I could **change** all that if I had a couple million **dollars**

I keep **hearing** that money is the root of all evils and you **can't** fit a camel through the eye of a needle

I'm sure that's probably true, but it **still** sounds pretty cool

Chorus

. . . To float down on the water with a **beer** . . .

I hear the Powerball lotto is **sitting**' on a hundred mill . . .

Well, that would **buy** me a brand new **rod** and reel . . .

/ G - / A - / G A - - /

Chorus

Yeah, **I** know what they say, money **can't** buy everything

Well, maybe **so**, **but** it could buy me a **boat** . . .

It could buy me a **boat**
