

Don't Cry – Guns N' Roses

Talk to me softly there's something in your eyes
Don't hang your head in sorrow and please don't cry
I know how you feel inside I've been there before
Somethin's changin' inside you and don't you know

/ Am Dm G C / :

Don't you cry tonight I still love you baby

Don't you cry tonight

Don't you cry tonight there's a heaven **above** you baby

And don't you **cry tonight**

/ F G Am - / / F G C Am / F G Am - /

Give me a whisper, and give me a sigh
Give me a kiss before you tell me goodbye
Don't you take it so hard now and please don't take it so bad
I'll still be thinkin' of you and the times we had...

And please remember that I never lied
And please remember, how I felt inside now honey
You gotta make it your own way but you'll be alright now sugar
You'll feel better tomorrow, come the morning light now baby...

Don't you ever cry – Don't you cry

Tonight – baby maybe someday – **Don't you cry**

Don't you ever cry – Don't you cry tonight

/ F G F G / E F - G / F G F G C - - - /

If we could **see** tomorrow, **what** of your **plans**
No one can **live** in sorrow, **ask** all your **friends**
Times that you **took** in stride, **they're** back in demand
I was the **one** who's washing, **blood** off your **hands**

I know the **things** you wanted **they're** not what you **have**
With all the **people** talkin' it's drivin' you **mad**
If I was **standin'** by you **how** would you **feel**
Knowing your **love's** decided, **and** all love is **real**

I thought I could **live** in your world, **as** years all went **by**
With all the **voices** I've heard, **something** has **died**
And when you're in **need** of someone, **my** heart won't **deny** you
So many **seem** so lonely, **with** no one left to **cry** to baby
