Slip inside the **eye** of your **mind**

Don't you **know** you might **find**

A better place to **play**

/ C G Am / E F / G C AmG /

You said that you'd never been

But all the things that you've seen

Slowly fade away

So I start a rev-o-lu-tion from my **bed** ...

'Cuz you said the **brains** I have went to my **head** ...

Step outside the **summertime's** in **bloom** ...

Stand up beside the fireplace

Take that look from off your face

'Cuz you ain't ever **going** to burn my **heart out**

So ... **Sally** can **wait**

she **knows** it's too **late**

As we're **walking** on **by**

/ C G Am / E F / G C AmG /

Her soul **slides** away

But **don't** look back in anger

I **heard** you **say**

Take me to the place where you go

Where nobody knows

If it's night or day

Please don't put your life in the hands

Of a rock and roll band

Who'll throw it all away

Pre-chorus

Chorus
