Day after day I'm more confused
And yet I look for the light through the pourin' rain
You know that's a game that I hate to lose
And I'm feeling the strain, ain't it a shame
/ D - A - / D E A - / D - A - / Bm - D - /

   Gimme the beat boys and free my soul
   I wanna get lost in your rock and roll, and drift away
   Gimme the beat boys and free my soul
   I wanna get lost in your rock and roll, and drift away
   / A - - - / E - - - D - - - / :

Beginning to think that I'm wasting time
I don't understand the things I do
The world outside looks so unkind
And I'm countin' on you to carry me through … *(Chorus)*

      And when my mind is free
      You know a melody can move me
      And when I'm feeling blue
      The guitars are coming through to soothe me
      / Bm - / D - A - / Bm - / D - E - /

Thanks for the joy that you've given me
I want you to know I believe in your song
Your rhythm and rhyme and harmony
Help me along, makin' me strong
