

Well I can **saw** a **woman** in **two**
But you **won't** want to **look** in the **box** when I am **thru**
I **can** make **love** — **disappear** ...

For my – **next** – **trick** – I'll – **need** a – **vol** — **unteer**
/ EmG CG D G /

I can pull a rabbit out of a hat
I can pull it out but I can't put it back
I can make love disappear

For my – **next** – **trick** – I'll – **need** a – **volunteer**, **step** right up
For my – **next** – **trick** – I'll – **need** a – **vol** — **unteer**
For my – **next** – **trick** – I'll – **need** a – **volunteer**, **step** right up,
For my – **next** – **trick** – I'll – **need** a – **vol** — **unteer**
/ EmG CG C D / EmG CG D G / :

It's **lonely** up here when the **tricks** have been played
And the **spotlight** has faded and the **plans** that we made
Have **fallen** apart, it's **lonely** as hell
And there's **no** magic **spell** for a **broken heart**
/ Em - D - / Em - Am - / Em - Bm - / Em C Am7 D /

Put me in chains and I will escape
Better not wait up 'cause I might be late
I can make love disappear
