

Get Together – Youngbloods

/ A G / / A - /

Love is but the song we sing, and fear's the way we **die**
You can make the mountains ring, or make the angels **cry**
Though the bird is on the wing, and you may not know **why**

/ A - - G - / :

C'mon people now, **smile** on your brother,
Every-**body** get together, try to **love** one a-**nother**
Right **now**

/ D E / A DE / A - /

Some may come and some may go, we will surely **pass**
When the one that left us here, returns for us at **last**
We are but a moments sunlight, fading in the **grass** ... *Chorus x3*

If you hear the song I sing, you will under-**stand**... listen
You hold the key to love and fear, all in your trembling **hand**
Just one key unlocks them both, it's there at your **command** ... *Chorus x3*

Right **now**, right **now**
