

## I Do – Jude

---

... I got a **letter** today ... an **in-vi-ta-tion**  
... And the **writing** looked like **you** .....  
... Hello how are you **and** by the **way**  
... Please R-S-V-P I **do** .....

/ G Bm C D / / / /

... I thought of **writing** sad words ... of how it **used** to be  
... But I **didn't** want to bring you **down** .....  
... I guess the **bells** will ring pretty **well** there without **me**  
Don't worry '**bout** me baby I'll **wear** the thorny **crown**, I will **play** the clown

... If you think that I don't love you, **you're** ... **just** ... **wrong**  
**And** that don't matter now anyway ... ..  
I **couldn't** bear to **see** you up there **with** a white dress on  
**Here's** my vow to **you**, I'll stay away

/ C D GGmaj7 Em7 / / C D Ddim7 C / C D / (G Bm C D )

I remember when **in** a lover's **whisper** you said  
**No** other **man** **would** ever share your **bed**, well...  
We **both** know that's **not** been so, and I **wish** I'd never **let** you go now  
**You** found a **better** man instead ...

I wish you **health** and wealth, and a **white** house **on** a hill and I  
I **hope** you **raise** a fam-i-ly ...  
**Little** boy and a **little** girl, a **little** more joy in this **little** old world  
Well, **that'd** be **enough** for **me** ... (*chorus*)

**Time** rolls on ... .. and dreams they **die**  
And I've **thrown** out the **pictures** I had **of** you and I ...  
And **if** you're ever **wondering** if **love** can be **true**  
Well, **think** of me and remember **darling** like I, like I do

/ Em C Em C / / / Em C D - / (G Bm C D) /

O! friendships **fade** away, **love** falls **apart**  
**And** you've not **spent** a single **day** outside my **heart**  
**But**, there's just **one** more dream that I have left for **you**  
I hope you're **smiling** when **he** turns **around** and says I do ... I do ... I do ...
