

If the Phone Doesn't Ring, It's Me – Jimmy Buffett

There are **oceans** of **feelings** be-tween us

Currents that take us and **sweep** us away

That's why we **seldom** have **seen** us

In the **light** of a **cold** hard **day**

/ C Em F C / Am - C - / 1st / Am G C - /

Lots of new friends, with the **same** old answers

Open your eyes you might **see**

If our **lives** were that **simple** we'd **live** in the **past**

If the **phone** doesn't **ring**, it's **me**

/ Am - C - / / C Em F C / Am G C - /

If the **phone** doesn't ring, you **know** that it's me

I'll be **out** in the eye of the **storm**

If the **phone** doesn't ring, you **know** that I'll be

Where **someone** can make me feel **warm**

/ G - C - / :

It's **too** bad we **can't** turn and **live** in the **past**

If the **phone** doesn't **ring**, it's **me**

/ C Em F C / Am G C - /

I've had good days and bad days and going half mad days

I try to let go, but your still on my mind

I've lost all the old ways, I'm searching for new plays

Putting it all on the line

Lots of new friends ...

If it **takes** all our **future** we'll **live** through the **past**

If the **phone** doesn't **ring**, it's **me**
