

Like a Rolling Stone – Bob Dylan

Once upon a time you **dressed** so fine
You **threw** the bums a dime **in** your prime ...
... Didn't you?
People'd call, say, "**Beware** doll,
you're **bound** to fall" You thought **they** were all ...
... Kiddin' you
/ C Dm / Em F / G - - - / :

... You used to ... laugh about
... Everybody that was ... hangin' out
... Now you **don't** ... **talk** so loud ...
... Now you **don't** ... **seem** so proud ...
About **having** to be scrounging
... For your next **meal**
/ F - G - / / F Em Dm C / / Dm - / F - G - - - /

How does it feel
How does it feel
To be without a **home**
Like a complete **unknown**
Like a rolling stone
/ C F G - / / / / /

You've gone to the finest school all right, Miss Lonely
But you know you only used to getjuiced in it
Nobody has ever taught you how to live On the street
And now you're gonna have to getused to it

You said you'd never compromise
With the mystery tramp, but now you realize
He's not selling any alibis
As you stare into the vacuum of his eyes
And say do you want to make a deal?

How does it feel
How does it feel
To be on your own
With no direction home
Like a complete unknown
Like a rolling stone

You never turned around to see the frowns
On the jugglers and the clowns when they all did
... Tricks for you
You never understood that it ain't no good
You shouldn't let other people get your ...
... Kicks for you

You used to ride on the chrome horse with your diplomat
Who carried on his shoulder a Siamese cat
Ain't it hard when you discover that
He really wasn't where it's at
After he took from you everything he could steal ...

Princess on the steeple and all the pretty people
They're all drinkin', thinkin' that they ...
... Got it made
Exchanging all precious gifts
But you'd better take your diamond ring, you'd better
... Pawn it babe

You used to be so amused
At Napoleon in rags and the language that he used
Go to him now, he calls you, you can't refuse
When you got nothing, you got nothing to lose
You're invisible now, you got no secrets to conceal ...
