

City girls just **seem** to find out **early** ...  
How to open **doors** with just a **smile** ...  
A **rich** old man and **she** won't have to **worry** ...  
She'll **dress** up all in **lace** and go in **style** ...

Late at night a big old house gets lonely  
I guess every form of refuge has its price  
And it breaks her heart to think her love is only  
Given to a man with hands as cold as ice

So she tells him she must go out for the evening  
To comfort an old friend who's feeling down  
But he knows where she's going as she's leaving  
She's headed for the cheatin' side of town

You can't **hide** ... your lyin' **eyes** ...  
And your **smile** ... is a thin dis-**guise** ...  
I thought by **now** ... you'd re-a-**lize** ...

On the other side of town a boy is waiting  
With fiery eyes and dreams no one could steal  
She drives on through the night anticipating  
'Cause he makes her feel the way she used to feel

She rushes to his arms, they fall together  
She whispers that it's only for a while  
She swears that soon she'll be coming back forever  
She goes away and leaves him with a smile ...

She gets up and pours herself a strong one  
And stares out at the stars up in the sky  
Another night, 'n' it's gonna be a long one  
She draws a shade and hangs her head to cry

She wonders how it ever got this crazy  
She thinks about a boy she knew in school  
Did she get tired, or did she just get lazy  
She's so far gone, she feels just like a fool

My, oh my, you sure know how to arrange things  
You set it up so well, so carefully  
Ain't it funny how your new life didn't change things  
You're still the same old girl you used to be ...

There **ain't** no way to **hide** your lyin' **eyes** ...  
**Honey**, you can't **hide** your lyin' **eyes** ...
