

You say **hello**, inside I'm **screaming** I love you.
You say **goodnight**, in my mind, I'm **sleeping** next to you.
You drive **away**, from my **car** crash of a heart,
And I don't **know**, but you gave me ...

The **best** mix tape I **have**, even all the **bad** songs ain't so **bad**
I just wish there was **so** much more than **that**, about me and you

/ C G C G / C Am - - /

You talk to **him**, and it **burns** me like the sun
You talk to **her**, and you say that you **feel** like he's the one
I talk to **me**, but you can't **hear** the pain I feel,
You don't **know**, 'Cause you gave me... (*sad*)

... Don't turn around and say bye again
Yeah it **crushes** my head when you call me your friend
And I'm **not** the same person from back in the day
In the **back** of the class that you thought was gay

No I **can't** find the words 'cause I lost them the minute
They **fell** out my mouth, Yea it's love and I'm in it
So **give** me your lips and just let me kiss them
And **let's** get messed up and listen to *probably the best mix...* (*bad*)
