

## Mother's Little Helper – Rolling Stones

---

What a **drag** it is getting **old** ...

Kids are **different** today, I hear every mother say  
Mother **needs** something to-**day** to calm her **down** ...  
And though **she's** not really **ill**, there's a **little** yellow **pill**  
She goes **running** for the **shelter** of a **mother's** little **helper**  
And it **helps** her on her **way**, gets her **through** her busy **day**

Things are different today, I hear every mother say  
Cooking fresh food for her husband's just a drag  
So she buys an instant cake and she burns her frozen steak  
And goes running for the shelter of a mother's little helper  
And two help her on her way, get her through her busy day

Doctor, **please**, ... some more of **these** ...  
Outside the **door** ... she took four **more** ...

What a **drag** it is getting **old** ...

Men just aren't the same today, I hear every mother say  
They just don't appreciate that you get tired  
They're so hard to satisfy, you can tranquilize your mind  
So go running for the shelter of a mother's little helper  
And four help you through the night, help to minimize your plight ...

Life's just much too hard today, I hear every mother say  
The pursuit of happiness just seems a bore  
And if you take more of those, you will get an overdose  
No more running for the shelter of her mother's little help  
They just help you on your way through your busy dying day

Hey!
