**Shed** a tear, 'cause I'm **missing** you, but I'm... **still** alright to **smile**  
**Girl**, I think a-**bout** you every **day** now ...  
**There** was a time when I **wasn't** sure, but you... **set** my mind at **ease**  
**There** is no **doubt** you're in my **heart** now ...

**Sad** woman, **take** it slow, it'll **work** itself out **fine**  
**All** we need is **just** a little **patience** ...  
**Sad** sugar, **make** it slow, and we'll **come** together **fine**  
**All** we need is **just** a little **patience** ...

Sit here on the stairs, 'cause I'd rather be alone  
 If I can't have you right now, I'll wait, dear  
 Sometimes, I get so tense, but I can't speed up the time  
 You know love, there's one more thing to consider

Sad woman, take it slow, things will be just fine  
 You and I'll just use a little patience  
 Sad sugar, take the time, 'cause the lights are burning bright  
 You and I've got what it takes to make it

...**We** won't fake it ...Oh, we'll never break it ...'Cause I can't take it

A little **patience... yeah... ...**  
We need a little **patience... yeah ...**  
Just a little **patience... yeah ...**  
Some **more** patience... yeah ... ...

I've been walking the streets at night – **Just** trying to get it right  
**It's** hard to see with so many around – You **know** I don't like being stuck in the crowd  
And the **streets** don't change, but baby the name – **I** ain't got time for the games

'Cause I **need** you, yeah I **need** you

Ahh, I **need** you... ohh, I **need** you  
**All** the time ... ...
