

Rockin' in the Free World – Neil Young

Colours on the street

Red **white** and blue

People **shufflin'** their feet

People **sleepin'** in their shoes

But there's a **warnin'** sign on the **road a-head**

There's a **lot** of people sayin' we'd be **better off dead**

Don't **feel** like Satan but **I** am to **them**

So I **try** to forget it anyway I **can**

I see a woman in the night

With a baby in her hand

Under an old street light

Near a garbage can

Now she puts the kid away and she's gone to get a hit

She hates her life and what she's done to it

That's one more kid that will never go to school

Never get to fall in love never get to be cool ...

We got a thousand points of light

For the homeless man

We got a kinder gentler machine gun hand

...

We got department stores and toilet paper

Got styrofoam boxes for the ozone layer

Got a man of the people says keep hope alive

Got fuel to burn got roads to drive ...

Got a water cannon for the standing man

... ..

Got misinformation from the corporation

... ..

In the endless search for a drop of oil

People's lives get shattered while we suck it from the soil

Gotta show the children, we just don't care

So we keep on burnin' it and put it in the air
