I can **see** her lying back in her **sat**in dress, in a **room** where you do what you **don't** confess

... Sundown, you'd **better** take care, if I **find** you've been creeping 'round **my** back stairs

She's been **looking** like a queen in a **sailor's** dream, and she **don't** always say what she **really** means

... Sometimes I **think** it's a shame, when I **get** feeling better when I'm **feeling** no pain

... Sometimes I **think** it's a shame, when I **get** feeling better when I'm **feeling** no pain

I can **picture** every move that a **man** could make, getting **lost** in her loving is your **first** mistake

... Sundown, you'd **better** take care, if I **find** you've been creeping 'round **my** back stairs

... Sometimes I **think** it's a sin, when I **feel** like I'm winning when I'm **losing** again

I can **see** her looking fast in her **faded** jeans, she's a **hard**-loving woman, got me **feeling** mean

... Sometimes I **think** it's a shame, when I **get** feeling better when I'm **feeling** no pain

... Sundown, you'd **better** take care, if I **find** you've been creeping 'round **my** back stairs

... Sundown, you'd **better** take care, if I **find** you've been creeping 'round **my** back stairs
