

Today is **gonna** be the day, that they're **gonna** throw it back **to** you
By now you **should**'ve somehow, re-al-is-ed what you gotta **do**
I don't believe that an-y-body **feels** the way **I do**
 About you **now**
 / Em G D A / / / C D A - /

Backbeat the word is on the street, that the fire in your heart is out
 I'm sure you've heard it all before, but you never really had a doubt
 I don't believe that anybody feels The way I do about you now

And **all** the roads we **have** to walk are **winding**
 And **all** the lights that **lead** us there are **blinding**
There are many **things** that I would
Like to **say** to **you**, but I don't know **how**
 / C D Em - / / C D / GD Em / A - /

Because **maybe** ...
 ... You're **gon-na** be the one that **saves** me? ...
and after all ...
 ... You're my **won-der-wall** ...

 / C Em / G Em C Em / / / G Em - - - /

Today was gonna be the day, but they'll never throw it back to you
 By now, you should've somehow, realised what you're not to do
 I don't believe that anybody feels the way I do about you now
