

To-night we ride – right or wrong

Tonight we sail – a radio song

Rescue me – should I go down

If I stay too long – in trouble town

Oh — yeah

You wreck me, baby – You break me in two

But you move me, honey – Yes you do

Now and again – I get the feeling

Well if I don't win – I'm a gonna break even

Rescue me –should I go wrong

If I dig too deep – if I stay too long

Oh yeah ... *chorus*

I'll be the boy – in the corduroy pants

You be the girl – at the high school dance

Run with me – wherever I go

And just play dumb – whatever you know

Oh yeah ... *chorus*
