

## Hawaii On Me – Chris Janson

---

/ G - D - A - D - /

Someday when I **die**, you're gonna **cry**

Hopefully **I'll** be up on in the **sky**

Now don't spend my **money** on a box in a **hole**

That might be my **body**, but that ain't my **soul**

/ G - D - / A - D - / G - Bm - / 2nd /

Put your feet in the **sand**, buy you a **Coke**

Raise it on **up**, crack a good **joke**

Tip toes in the **water** and ashes to **sea**

Yeah, when I **die**, go to Hawaii on **me**

/ G D / A D / :

Have the time of your **life**, go ahead, blow it on **out**

Have a big **party** at a big pent-**house**

Overlookin' the **beach** of Wai-ki-ki

Yeah, when I **die**, go to Hawaii on **me** ... (*Chorus*)

I made a good **livin'**, I lived a good **life**

I raised some great **kids**, and I loved a great **wife**

So get on a **plane** in a first class **seat**

When I **die**, go to Hawaii on **me** ... (*Chorus*)

/ G D / A Bm / 1st / A D /
