Tell me, do you **think** it'd be al**right**, if I could **just** crash here to**night**
You can see I'm **in** no shape for **driving** and anyway I've **got** no place to **go**
And d'you know it **might** not be that **bad**, you're the **best** I've ever **had**
If I hadn't **blown** the whole thing **years** ago, I **might** not be a**lone**

  Tomorrow we can **drive** around this **town**, and let the **cops** chase us a**round**
  The past is gone but **some**thing might be **found** to take its **place** . . . **Hey** Jeal-**ous**-y

You can trust me not to think and not to sleep around
And if you don't expect too much from me, you might not be let down
Cause all I really want is to be with you, feeling like I matter too
If I hadn't blown the whole thing years ago, I might be here with you
