

See the tree, how big it's grown, but **friend**, it hasn't been too long it **wasn't** big ...
 I **laughed** at her and she got mad, the **first** day that she planted it, was **just** a twig ...
 Then the **first** snow came and she ran **out** to brush the snow away so it **wouldn't** die ...
 Came **runnin'** in all excited, **slipped** and almost hurt herself and I **laughed** till I cried ...

She was always young at heart, **kinda** dumb and kinda smart and I **loved** her so ...
And I surprised her with a puppy, **kept** me up all Christmas Eve two **years** ago ...
 And **it** would sure embarrass her, when **I** came in from workin' late 'cause **I** would know ...
 That **she'd** been sittin there an' cryin' over **some** sad and silly **late**, late show ...

And Honey, I **miss** you and I'm bein' **good**
And I'd love to be **with** you If only I **could**

She **wrecked** the car and she was sad, and **so** afraid that I'd be mad, but **what** the heck ...
 Though **I** pretended hard to be, guess you **could** say she saw through me and **hugged** my neck ...
I came home unexpectedly and **found** her cryin' needlessly in the **middle** of the day ...
 And **it** was in the early spring when **flowers** bloom and robins sing, she **went** away ...

And Honey, I miss you

One **day** while I was not at home, while **she** was there and all alone the **angels** came ...
 Now **all** I have is memories of **Honey** and I wake up nights and **call** her name ...
Now my life's an empty stage where **Honey** lived, and Honey played and **love** grew up ...
 And a **small** cloud passes over head and **cries** down on the flower bed that **Honey** loved ...

And see the tree, how big it's grown, but friend, it hasn't been too long, it wasn't big
 And I laughed at her, she got mad...
