

A long long time ago **there** was a volcano
Living all alone in the **middle** of the **sea**
He sat high above his bay **watching** all the couples play
 ... And wishing that **he** had someone **too**
And from his lava came this **song** of hope that he sang
 Out **loud** everyday **for** years and **years**

I have a dream I **hope** will come true
That you're here with me and **I'm** here with you
 I wish that the earth, sea, and the **sky** up above-a
 Will **send** me **some**-one to **lava**

Years of singing all alone turned his lava into stone
 Until he was on the brink of extinction
 But little did he know that living in the sea below
 Another volcano was listening to his song

Everyday she heard his tune, her lava grew and grew
 Because she believed his song was meant for her
 Now she was so ready to meet him above the sea
 As he sang his song of hope for the last time...

Rising from the sea below stood a lovely volcano
 Looking all around, but she could not see him
 He tried to sing to let her know that she was not there alone
 But with no lava his song was all gone
 He filled the sea w/ his tears & watched his dreams disappear
 As she remembered what his song meant to her...

Oh they were so happy to finally meet above the sea
 All together now their lava grew and grew
 No longer are they all alone w/ aloha as their new home
 And when you visit them this is what they sing

I have a dream I **hope** will come true
That you'll grow old with me & **I'll** grow old with you
We thank the earth, sea, and the **sky** we thank too
 I lava you (3x)
