

## On the Road Again – Willie Nelson

---

... On the **road** again – Just can't wait to get

... On the **road** again – The life I love is

Making **music** with my friends and **I** can't wait to get **on the road again**

/ C - - - / E - - - / Dm - F G C - /

On the road again – Goin' places that

I've never been – Seein' things that I may

Never see again – And I can't wait to get on the road again

... On the **road** again, like a band of gypsies we go down **highway**

... We're the **best** of friends, insisting that the world keep turnin' **our** way

... And **our** way is ...

/ F - - - C - / F - - - C - / G7 - /
