

Shelter Me – Cinderella

Everybody needs a little **place** they can hide
Somewhere to call their own, don't let **nobody** inside

Every now and then we all **need** to let go,
For **some** it's the doctor, for **me** it's rock and roll

/ G - / D - / C G / D - /

For **some** it's a bottle, for **some** it's a pill
Some **people** wave the Bible 'cause it's **giving** them a thrill
Others point their finger, if they **don't** like what they see
If you **live** in a glass house, don't be **throwing** rocks at me

/ G Bm / C G / C G / A D /

We all **need** a little **shelter** – Just a little **helper** to get us **by**
We all **need** a little **shelter** – Just a little **helper** ooo, and it'll be **alright**

/ C - G - / A - D - / C - G - / A D G - /

Check out Mr. Politician **in** his suit and tie
But **when** the doors are closed there ain't **nothin'** he won't try
Meanwhile Mr. Medicine's **treating** his best friend's **wife** ...

Tipper lead the war against the record industry
She said she saw the devil on her MTV
To look into the cabinet, it takes more than a key
Just like Jimmy's skeletons and his ministry ... *chorus*

For some it's the needle, for some it's the kill
Some people wave the Bible 'cause it's giving them a thrill
You can spend your money, before you get your pay
With a toss of the dice, you can piss it all away ... *chorus*
