

They **made** up their minds, and they started **packing**
They **left** before the sun came up that **day**
An **exit** to eternal summer **slacking**
But **where** were they going **without** ever knowing the **way**?

They **drank** up the wine, and they got to **talking**
They **now** had more important things to **say**
When the car broke down they started **walking**
Where were they going **without** ever knowing the **way**? ...

Anyone can see the **road** that they walk on is **paved** with gold
It's always summer, They'll **never** get cold
They'll **never** get hungry, they'll **never** get old and **grey**

You can see their **shadows**, wandering **off** somewhere
They **won't** make it home, but they **really** don't care
They **wanted** the highway, they're **happier** there today ...

Their **children** woke up and they couldn't **find** them
They **left** before the sun came up that **day**
They **just** drove off and left it all **behind** 'em
But **where** were they going **without** ever knowing the **way**? ... *Chorus (2x)*
