Long as I re-mem-ber the **rain** been comin' **down**
Clouds of mystery **pour-in'** con-fus-ion on the **ground**
Good men through the **ages**, **tryin'** to find the **sun**
And I wonder **still** I wonder – **who'll** stop the **rain ...**

I went down Vir-gin-ia seeking **shelter** from the **storm**
Caught up in the **fable** I **watched** the tower **grow**
Five-year plans and **new** deals, **wrapped** in golden **chains**
And I wonder, **still** I wonder – **who'll** stop the **rain ...**

Heard the singers **play-in'**, **how** we cheered for **more**
The **crowd** had rushed to-**geth-er**, just **tryin'** to keep **warm**
Still the rain kept **pourin'**, **fallin'** on my **ears**
And I wonder, **still** I wonder – **who'll** stop the **rain ...**
