

You Belong to the City – Glenn Frey

The **sun** goes down, the **night** rolls in
You can feel it starting all **over** again
The **moon** comes up and the **music** calls
You're **gettin'** tired of staring at the **same** four walls
/ Em - / Am - / :

You're **out** of your room and **down** on the street
Moving through the crowd in the **midnight** heat
The **traffic** roars and the **sirens** scream
You **look** at the faces - it's **just** like a dream

Nobody knows where you're **going**
Nobody cares where you've **been**
/ C Bm / Am Bm /

Cause **you** belong to the ci-ty,
You belong to the **night**
Living in a river of darkness
Beneath the **neon** light ...
/ Em - / C - / Am - / Em - / :

You were born in the ci-ty
Concrete under your **feet**
It's **in** your moves, it's **in** your blood,
You're a **man** of the streets ...

When you **said** goodbye you were **on** the run
Tryin' to get away from the **things** you've done.
Now you're **back** again and you're **feeling** strange
So much has happened and **nothing** has changed.

Still don't know where you're go-**ing**
You're **still** just a face in the **crowd**

Chorus

You can **feel** it – ... You can **taste** it ...
You can **see** it – ... You can **face** it ...
You can **hear** it – ... You're getting **near** it ...
You wanna **make** it ... 'Cuz you can **take** it ...
/ Em G Am C / :

You belong to the city, **you** belong to the night
You belong to the city, **you** belong to the night
You belong, you belong...
/ Em - C - / /
